CHUMPZINE
ISSUE #2
FALL '97

CRAB INFESTATION

Hey There! Since the last Chump Zine, we've been pretty darn busy. In April & May, we spread some of the MU330 disease to another Continent, with a European tour that included shows in England, France, Spain, Germany, and Switzerland. A big "Thank You" to all the kind people who let us sleep on their floors. We've also been busy writing, recording, and mixing a new album that is available now! It's called "**CRAB RANGOON**", and it features 14 new MU songs, and our newest member Gerry Lundquist, formerly of Skankin' Pickle and Bad Manners. Ted also makes his songwriting debut on this album, contributing lyrics to the songs "Funny Papers" and "Ireland." In Sept. we will be touring the mid-west in support of

"CRAB RANGOON", and will be recording a live album on Sept. 26 in Detroit - Rock-city and Sept. 27 in St. Louis. It will probably be a pretty typical set, a mix of old/new and most likely some unreleased stuff. We're shooting for a release some time in Feb. Asian Man Records is also putting out a "Best of MU330" release in Japan, featuring a few songs from all three of our albums, plus 4 unreleased songs that didn't make it onto

Enl, our England driver, Ted and Rob.

"CRAB RANGOON." That CD will only be available in Japan, and at MU330 shows. Asian Man has also released a split 7inch with Chicago's Blue Meanies and MU330. We did a cover of the GO GO's "Vacation," and the Blue

Meanies did a Green cover. Hooray!

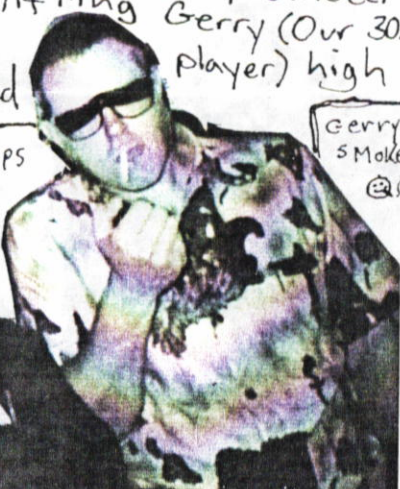

Speaking of the Blue Meanies, we just got back from a great West-Coast tour with those bastards. Highlights included playing shows with Viva Kin-Evil (former MU330 saxophone star Matt Knoble's new band) in Colorado, a combined MU/Meanie rendition of "LA" at the Specials show in Denver, an unprovoked, senseless, violent attack on Gerry Lundquist by Rat Box and his evil bastard brother, and the promoter Stockton, CA lifting Gerry (Our 302 pound trombone above his head and

a November run through Texas with Johnny Socko and the Impossible's, and a swing through Florida with Skif Dank in the top of December. We're also in the early stages of planning an "Oldies seven inch. Its still in the works, so we're open to requests & suggestions! One more thing... Both our Albums, "Press" and "Chumps on Parade" have been re-released on Asian Man records. The re-

Rob and SKAVANAUGH

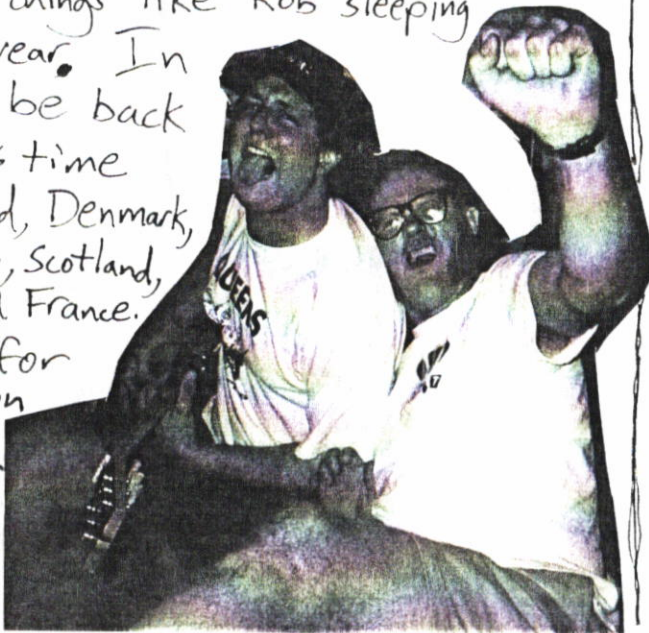

release of Press has got 2 unreleased songs tacked on the end, "KONG" and "Fist Fulla Nutz." So... Now all you have to do is come out and say "Hi" at our shows. That's really the best way to keep up with what we're up to, and the most fun. We love meeting people on the road, that's the best thing about being in a band, next to writing your own music! Thanks, & Don't Stop Rockin'! ♥ Lan P. & MU330

giving him an on stage airplane spin. We also filmed a video while we were out in CA, for the song "Tune Me Out," the 1st track on "CRAB RANGOON." The video is going to be a take-off on everybody's

favorite 70's sitcom, "What's Happenin'." You guessed it, Gerry plays the part of Re-Run... We're hoping that by Jan, we'll be able to put out an MU330 video comp which would include the video we just filmed, a live show we just played at the Whiskey in Hollywood, and some other random things like Rob sleeping in his underwear. In October, we'll be back in Europe, this time hitting England, Denmark, Germany, Norway, Scotland, Switzerland, and France. Future plans for World devastation include
